

***Pre-Chorus:***

***:50***

F            C            G  
But I hear sounds in my mind

But honey I'll be seein' you, ever, I go  
                 F            C            G  
But honey I'll be seein' you down every road  
G  
I'm waiting for it, that green light, I want it

'Cause honey I'll come get my things, but I can't let go  
G  
I'm waiting for it, that green light, I want it

Oh, I wish I could get my things and just let go

Em                            G                            C  
Sometimes I wake up in a different bedroom  
Em                            G                            C  
I whisper things, the city sings 'em back to you

D

All those rumors, they have big teeth

C

Oh, they bite you

Em

D

Thought you said that you would always be in love

But you're not in love,,,no more

C

Did it frighten you

Em

How we kissed when we danced on the light up floor?

D

On the light up floor
